Playground Consent

The Department of Human Services, Office of Child and Adult Licensing have established new criteria for playground and playground equipment. A public (school or park) playground is not required to meet all the same playground safety regulations that licensed centers are required to meet. Given this information, in order for a child enrolled in a licensed program within a school approved by the Michigan Department of Education to play on the equipment the parent must give their consent. If you choose to not give your child permission to play on the equipment they still be taken outdoors with the other children and offered an alternative activity.
