2019 Snapshot
YMCA OF METROPOLITAN DETROIT

NURTURING POTENTIAL

Greetings YMCA Family and Friends,

The year 2019 was the end of a decade and the springboard to endless possibilities for 2020 and beyond. In preparation for the years ahead, our YMCA hired a new CEO, Helene Weir, and launched Revitalize 170; a three-year plan to strengthen the YMCA of Metropolitan Detroit and the communities we serve. Our YMCA's aim in 2019 was to lay the foundation to propel us to our 170th anniversary in 2022.

Our vision is to be a vital partner in the development of thriving communities. We believe:

- » Health and wellness should be accessible to all.
- » Everyone should have an opportunity to contribute to improving their community.
- » Healthy communities are safe, inclusive and welcoming.
- » Youth deserve positive experiences to support them in realizing their potential.

These foundational beliefs ensure that our YMCA forever remains committed to

- » Family and Community
- » Child and Youth Development
- » Health and Wellness

Our beliefs and commitment are realized through the service we provide Metropolitan Detroiters throughout the year. It gives us great pleasure to share how YMCA staff, volunteers, members and a host of community partners worked to help revitalize the community. We revamped our leadership team and invested in personnel to provide more family programming. We began divesting assets and established new partnerships to reinvest in our YMCA buildings to provide fresh spaces for our community and to create safe welcoming places for children to play, learn and grow.

Please take time to review this look back at 2019 to see our collective community impact. We encourage you to spread the word on how the YMCA of Metropolitan Detroit is helping make every day better for more than 70,000 people.

Committed to Community,

Helene Weir
President and CEO
